PERSONABLE

Kirsten is a compelling speaker and storyteller who inspires audiences to see how God's Word will help them overcome the challenges they face every day. She equips and instructs, and leaves listeners with the motivation to live differently because of what they've learned. She's a wife, mother to three, and a recovering multi-tasker. Her straight-forward, down-to-earth style has resonated with both teens and adults since 1999.

VERSATILE

Kirsten frequently addresses these important topics and, as an avid student of the Bible, is constantly adding to her repertoire:

- Thriving in Overwhelming Circumstances
- Life: Keeping all the Plates Spinning

- Dreaming and Doing: Goal-setting
